Bus Talking Points

- Stay with your designated chaperone/leader.
- There will be students here from other schools. Set the example for how to act.
- You will be given a draw string backpack with a pen when you enter the building. Use the backpack to keep the giveaways provided by the companies. Use the pen to fill out your Passport/Field Study Card.
- Be sure to put your name on your Passport/Field Study Card first thing.
- Remember why you are here. Ask intelligent questions, learn as much as you can, and be sure to write down what you learn in your Passport. You will be graded on this.
- If you get candy, be sure to put wrappers in your pockets, your backpack or a trash can.
- There will be an announcement when there are 5 minutes remaining. When that occurs begin wrapping up conversations and head toward the exit.
- Before you leave, there will be an online survey for you to fill out with either provided laptops or your cell phone. Laptops will be available in a designated area near the exit. Once you fill out your Passport, please go complete the survey.
- Be respectful of others, have fun, and represent our school well.
- (Anything else you deem relevant/important for your students.)
